I am an Information Technology graduate with a strong interest in coding and web development. My primary focus is on building and optimizing web applications, supported by a solid foundation in UI/UX design. In addition, I have advanced experience using Adobe tools such as Photoshop and Lightroom, gained through both academic and real-world projects. I am eager to contribute to development teams where I can further enhance my technical skills, collaborate on meaningful projects, and grow under the mentorship of experienced professionals.

PERSONAL INFORMATION

Name: Joy Lyka B. Buangjug
Address: 95 NI Mc Arthur Boulevard Cebu City, Philippines, 6000
Date of Birth: Dec. 03, 2000
Place of Birth: Cebu City
Gender: Female

- Used Git/GitHub for version control and collaborative development
- Participated in code reviews and followed best coding practices for maintainable code

SKILLS, SOFT SKILLS AND TOOLS

· **Soft Skills:**

Attention to Detail: Ensures accuracy in coding and design tasks.

Effective Communication: Clearly articulates ideas and collaborates well with team members.

Adaptability: Quickly adjusts to new technologies and project requirements.

Rapid Learner: Easily grasps new concepts and tools in web development.

Team Collaboration: Works well in group settings, supporting and contributing to team goals.

Organizational Skills: Efficiently manages multiple projects and tasks simultaneously.

· **Technical Skills:**

Backend Development

PHP (Laravel): Intermediate

Node.js: Intermediate

Python: Intermediate

Java: Intermediate

Frontend Development

React: Intermediate

Tailwind CSS: Intermediate

HTML/CSS/JavaScript: Intermediate

Testing

Vitest: Beginner

React Testing Library: Beginner

Database

MySQL: Intermediate

PostgreSQL: Intermediate

MongoDB: Beginner

AI/ML Tools & Technologies

Retrieval-Augmented Generation (RAG) App Development: Beginner

- **Tools used:** Hugging Face, Flowise AI, Docker

· **Design and Editing Tools:**

Figma: Proficient

Canva: Intermediate

Lightroom: Proficient

Photoshop: Advanced

ACHIEVEMENTS:

First Place – UI/UX Design 10th ICT Congress Competition 2024 (University of Cebu – Main)

Second Place – UI/UX Design Pre-CCS Event 2024 (University of Cebu – Main)
